Contribute to the CALA Scholarship Fund, **Invest** in the future of Assisted Living and **Support** the development of future leaders today!

Sponsoring a student to attend CALA not only brings more awareness to our industry but it advances our mission while giving us an opportunity to spot future talent. At the meet and greet with sponsors, I met so many students excited about serving seniors and interested in hearing how they should begin their careers. I was extremely pleased to meet David Postar, a USC graduate student, and am happy that he is now part of the Sunrise Team, joining us at Sunrise at Wood Ranch in Simi Valley.
