

Vaccination and Screening Requirements

Definitions:

- Routine Screening: Includes temperature, symptoms, exposure, hand hygiene and surgical mask. *Required for all individuals entering the community.*
- Visitor Screening: Proof of vaccination or negative COVID test within 72 hours of indoor visit.
- Staff requirements for vaccination: Fully vaccinated, or approved exemption with weekly COVID testing.

Individual	Routine Screening	Visitor Screening	Staff requirements for vaccination
Community Staff members	✓		✓
Staff from Home Health Agency*	✓		
Staff from Hospice*	✓		
Home Care Agency staff*	✓		
Private companions employed by the resident**	✓		✓
Resident visitors	✓	✓	
Tours/marketing events	✓	✓	
Community-contracted personal services (cosmetologists, massage therapists, personal trainers, etc.)	✓		✓
Volunteers (clergy not employed by hospice, entertainers, volunteers for activities, etc.)	✓	✓	
Outdoor Maintenance service people (Gardeners, repair and service workers, etc.)	No screening required for workers that do not enter the community to perform their work		
Indoor essential maintenance repairs or delivery services (A/C, elevator, vendors, UPS, mail delivery, etc.)	✓		
Government officials (DSS, ombuds, etc.)	✓		

***Denotes employees contracted by an entity that is responsible for tracking vaccination verification and COVID-19 test results.**

****Because there is no employing agency to take responsibility, utilize the same requirements as staff. Include private companion with weekly testing if private companion remains under exemption.**
